GREENKEEPERS DIARY

Paul Websdane

Hello again,

Spring is here at last, the last 3 months have been the coldest, wettest winter we've had for years. We are now running at least, 3 weeks behind schedule. Hopefully, with some warmer weather we can catch up.

The plan for the next few months is to scarify, hollow time and topdress the greens and tees. The new Huxley tee mats means that we can work on the tees without causing too much disruption to play and we will be keeping the Winter greens mown throughout the Summer Months, so that we can repair the Disease scars caused by the wet weather.

The two new bunkers on the 15th green seem to be well liked, we will be doing some more later in the year.

Apart from a few loose ends, we have now moved into the new shed.

That's it, here's to a productive Spring and catch up again in the Summer.

Paul.

THE LAWS OF GOLF

LAW 1 – No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.

Look out for Law number 2 of 20 in the next issue of the Cotton Times!

A JOKE

The schoolteacher was taking her first golfing lesson.

"Is the word spelt p-u-t or p-u-t-t?" she asked the instructor.

"P-u-t-t is correct," he replied.

"Put means to place a thing where you want it. Putt means merely a vain attempt to do the same thing."

COURSE UPDATE AND RECENT CLUB NEWS

Julia Hazell

Spring is finally here, the days are getting milder and the evenings getting lighter, so it's time to dust the clubs off and start enjoying some golf again!

We are almost there with the drainage now - the constant flow of water from the pipes near the pond area tells us just how beneficial the drainage has been so far. This is an on going program and we are determined to resolve our drainage issues.

The Huxley mats are proving to be a great asset to the course, especially with the adverse weather recently. We are now able to get the grass tees in good order ready for the Spring and Summer, and the purchase of the new hand mower will enable us to present the tees to a high standard

We are also due to be installing more ball washers on select holes.

You may have already noticed the lovely new snug area that we have recently created in the clubhouse, we do hope you enjoy making use of this area where you can sit back and relax with a drink.

The net area is now complete and, once again, has Huxley all weather teeing surface for you to hit from. You will notice in the net that we have raised the back of the net so the ball rolls back down to you after each shot. We have also recently installed flood lights to the net area which allows the keen member to practice even after the sun has gone down!

The Pro Shop currently has some lovely new items in stock, with the latest edition of Ping and the arrival of the Spring / Summer collection, for more information on the Pro Shop and current offers please see page 6 of the Cotton Times.

WEDNESDAY FRIENDLY

Ron Weller

The Mid Summer Special & Lunch is now fast approaching and this year it will be held on Wednesday 2nd June. The format for the event will be shot gun start at 9 am followed by a lunch at 12.30 to 1 pm. This event normally see over 60 players take part, and we hope to get the as much support this year as previous years!

On a regular basis we have approximately 40 to 50 members who join us on Wednesdays and this is the most interesting and supported day of the Club, which everybody enjoys.

I would like to take this opportunity to congratulate Alan Whitaker on his second hole in one this year whilst playing in the Wednesday Friendly!

SOCIAL DIARY

Julia Hazell

Well, here we are, Spring is finally with us which means that we can now start planning our Summer Social Diary.

I would like to take this opportunity to thank Arthur Hewitt for all his hard work in organizing the Quiz Nights for us. I know those who take part very much enjoy the evening and on the last Quiz Night we welcomed even more new faces - we look forward to the return of the Quiz Nights later this year on September 21st. We will also be holding, with Arthur's kind help, A Question Of Sport, this will be on 2nd November 2010.

SENIOR MENS OPEN COMPETITION - THURSDAY 17th JUNE 2010

This competition is open to all men over the age of 55 and there is no handicap restriction.

It is an all day event consisting of two rounds, one in the morning and one in the afternoon.
Sandwiches will be available for lunch, and the day will conclude with a dinner served in
Restaurant 54.

Prize giving will follow the dinner.

There is also a prestigious Club Trophy which was beautifully hand made by Member, Roy
Catling. Although this remains in the Club House, it will be engraved with the name of the
overall winner.

Cost for the day is £26 which is inclusive of coffee on arrival, two rounds of golf and dinner.

Flyers and posters will be distributed very soon, but in the meantime, if you are interested
please contact the Ampfield Captain at the clubhouse on 01794 368480.

CAPTAINS COLUMN

Geoff Roberts

I hope that many of you have been able to get out onto the course a good number of times since our last edition of the Cotton Times? The weather has still been testing at times, even to the extent of having the course closed on a couple of occasions, but we have also had some good days, and I think you will agree that the course is playing very well. Many have told me that they are impressed with the way that the drainage work is doing its job and keeping many areas dryer than in the past.

Our competition fixture list has now stepped up a gear with many sign up sheets on the notice board ready for you to enter in as many or as few competitions as suit you. The Winter Mixed Foursomes is close to having its final played and the Kelly Greensome Vase is well underway. The Henry Cotton singles match play has begun with the preliminary and first rounds already played. The Leeson Fours Cup was held on the afternoon of Sunday 27th March and 42 members took part. We had a sunshine filled afternoon, and everyone seemed to enjoy the game which provides a great social start to the season, mixing people together through a random draw on the day. The Cup was won by Malcolm Fiddes and Clive Irwin, with Brian Porter and Mike Gaskell as runners up and Andy Audin and David Holloway in third place.

Other competitions on the board include the qualifying round of the Frank Horder Tankard on 10th/11th April; the draw for the Spring Cup – a 36 hole bogey competition – being held on Sunday 25th April; the John Bryant Presidents Cup – a stableford competition for Division 2 handicap players – on 4th/5th May; the Peter Fisher Salver pairs knockout and the Ladies Challenge Bowl on 18th May. The next Texas Scramble is being held on Monday 31st May and all members are welcome. This is another social competition with no qualifying requirements, other than holding an Ampfield handicap.

The month of June will see some of the major events of the year. They are the Senior Mens Open on 17th June as advertised in the last edition of the Cotton Times; the Club Championship on 13th June; the Lady Captain's Day on 15th June; the Captain's Stableford on 26th/27th June and Members Week from 28th June to 4th July. Please keep an eye on the notice board for further details and sign up sheets for these events and competitions.

We continue to hold both Medal and Stableford competitions every month. Winners for the last quarter are listed on the next page.

As the weather improves, the days get longer and, hopefully warmer, I hope you are able to take full advantage of the course and competitions available.

Enjoy your golf!

Geoff

SATURDAY FRIENDLY

Alan Carter

January 29th

The first organised Saturday Friendly of the year 2010. Due to the extreme weather conditions that we experienced since before Christmas this was to be the first organised Saturday Friendly of 2010. A few stalwarts (led by Peggy Holloway) met on the previous week but we decided to play in the Club Medal competition instead. The Club Medal was distinguished by Alan (Carter) managing to score 16, yes not a type error, 16 strokes on hole 1! He did try to redeem the situation but the damage was done.

So off we set, 6 teams, to play a greensome. Greensome competitions are one of our favourites and ideally suited to mixed matches (both partners tee off, then alternate shots until hole out). This was the first time that Roy (Catling) had played competitive golf since his stroke and it was a joy to see him (and his partner Mike (Gaskell) give it a go. The winners this week, by a two point margin, were Roy's wife Dorothy and Alan. Four other teams tied on 33 points which went to the last nine (eliminating two teams) then to the final six holes then it was eventually decided on the last three. That was quite enough excitement for us for one week! Don & Connie (Welch) joined us for the presentation; Connie is still recovering from her broken wrist having to rely on Don doing the entire driving (hence then sudden decline in Worthington's cream-flow bitter consumption).

February 6th

Lovely day, Mally had to be excused, an hour before we teed off our granddaughter gave birth to Ava Grace so great-grandma had to be there. We were to play a bowmaker this week (this is where the best two scores of the three count) but we were one competitor short to complete the final three at the last minute Mick (Smith) joined us (unfortunately his regular Saturday partner, Peter (Timby) has had a nasty fall and is still recovering). I was playing in Mick's team (with the Lady Captain, Ali Gaskell) and we were delighted to score 7 points on our first hole; sadly that was to be the highlight of our excursion but we had a great time anyway. The winners this week by a huge margin were the team of Dave (Holloway), Mike (Gaskell) and Ali W. (Wiseman), eleven points in front of the nearest challengers but they didn't gloat, much!

February 13th

Cold day with a small amount of snow flurries; a few of the regulars braved even more extreme conditions and went to the Saints versus Pompey match (except for Ali Gaskell who endured the circumstances sitting in front of a log fire, television on and maybe a glass of wine). Off we set; joined, for the first time this year by Iris (Julier) who has recovered from her recent illness. She recovered so well in fact that she and Dave Holloway played and won their round of the Winter Foursomes earlier in the day. We played a Bowmaker but had one team with only two members instead of the normal three so we decided to uplift their score by 15%. That was until we saw their score card, a quick committee meeting then settled on an enhancement of only 10% but it made no difference, Dave (Holloway) and Mally won, followed closely by the team of Ali (Wiseman), Roger (Sidebotham) and Peggy (Holloway). The potentially miserable day ended sitting in front of the fire with everyone agreeing that the comradeship and exercise was better than staying at home. The discussion of the day was whether the ditches or the fences marked the boundary of the course, a subject that arose during Ron's meeting on Wednesday; more to follow.

SATURDAY FRIENDLY - CONTINUED FROM PAGE 9

February 20th - Not a bad day but very wet underfoot but the bright light was our first harbinger of spring, Lois (Williams), taking a day off from her bowls she joined her old friends for a round as did Silvia (Wilton). A few of the regulars were struck by the dreaded flu but their numbers were made up by returning friends and some welcome newcomers; Peter and Cathy Cox, Arthur "the quiz" Hewitt and Mike Balchin. 10 teams of two set off for a combined stableford competition and the winners this week were Brenda (Sidebottom) and a well recovered Roy (Catling), Brenda scoring 5 "threes" and a birdie on the back nine! Four of the competitors Dave, Peter, Silvia and Mally had such a great time that they finished about 20 minutes after everyone else I don't know if they were concentrating on the golf but the results show that they were the bottom two teams. Connie's wrist is now out of plaster but still has to be chauffeured by Don (he has been so busy looking after her at home that he forgot to take his apron off) who waits on her foot and finger (so he says!)

February 27th - Mud, mud, not so glorious mud! Shall we play? NO; heavy rain forecast in a couple of hours but George & Ali (Wiseman) were going to give it a go and I agreed to accompany them for a few holes and Geoff (Nutt) already had his bicycle clips on and ready for action. Eventually we had four teams of three and decided to play a progressive bowmaker (holes 1-6, one score to count; 7-12, two scores and the final six all scores count). We all managed to arrive back before the promised downpour and had a pleasant time sitting in front of the roaring log fire awaiting the results. As usual, when the scoring deviates from the normal, the cards resemble a cross between a crossword puzzle and a football pools entry sheet but ultimately we had a winning team in George, Geoff and Cathy (Cox). The turning point of their round being a magnificent score on hole 13 of ten points! (made up of two birdies and a par).

March 6th - Medal weekend and a few of the regulars needed to compete to keep up their qualifying status. Connie (Welch) had her first day on the course, since her incapacitation with a broken wrist, albeit as a caddie for Don. Their playing partners were May (Jones) Dot and Roy (Catling); Roy showed that his recovery is progressing by winning the 1st division medal competition for March, well done Roy! The rest of the friendly squad played a greensome; and this week's winners were Mally and Dave (Holloway).

March 13th - Beautiful day and the course was looking fine; some of the Saturday stalwarts were taking part in club competitions but we managed to field 9 teams to play a greensome. The sunshine drew a few more out of their winter hibernation including Pam (Hyde) and Paddy (Hughes) my playing partner; we had a great time and the teams seemed well balanced which showed in the results table which was very close. The winners this week were George (Wiseman) and May (Jones) who not only played well but judging by the banter from their group had an enjoyable time.

March 20th - Four stalwarts were determined to take on the course (and the elements). Off went Ali & George (Wiseman), Geoff (Nutt) and Mick (Smith). The quartet returned bright eyed and ruddy cheeked, the biggest smile was on Mick's face when Geoff announced that he had won! Well done Mick! Iris (Julier) & Dave (Holloway) got the better of Mally & Norman (Dare) to win the semi-final of the winter foursomes, they will take on Brenda and Roger (Sidebottom) in the final; so the one certainty is that the final winners will be one of the Saturday friendly regulars!

MEMBERSHIP CARDS

As most of you are now aware, our lovely new tills have been installed. The new tills allow us to issue our members personal membership cards, which can be used to gain your 10% discount on all food and drinks items, unless otherwise stated.

I have been issuing the cards now for the last two weeks and I would be most grateful if those of you who have not yet got their cards can pop in to the Club between 10 am and 5 pm, Monday to Friday so I can get you set up and your card issued to you.

Once you are set up the cards can be up-loaded at anytime by any member of staff behind the bar.

Many thanks, Julia Hazell.

VETERANS COLUMN

Collin Jones

The Committee for 2010 is :-

Captain - Colin Jones (01489 789340)

Vice Captain - Ron Cockings (02380 864882)

Hon. Secretary & Treasurer - John Lacey (01794 500791)

A "rollup" system is in operation for the Monday morning competitions. Please report in at the Clubhouse by 9.15 AM, at the latest, and the Starter for the day will include you in the next available group on the 1st. tee.

We start our Friendly Matches next month with the first fixture at Home against Furzeley & Denmead on Thursday 22 April. This is followed by our first Away fixture at New Forest Golf Club at Lyndhurst, on Tuesday 27 April. All members of the Vet's Section, who play regularly in the Monday competitions, are eligible to play in the matches. The team is limited to 10 or 12 players per match but I will do my best to give everybody who wants to play, the opportunity to play in some or all of the matches. Details will be displayed on the Vet's Noticeboard, in the near future.

The results for the Medal Competitions in February & March were:-

FEBRUARY

Division 1 - Chris Rice (Net 52)

Division 2 - Bill Routledge (Net 56)

MARCH

Division 1 - Chris Rice (Net 56)

Division 2 - Jim Hayes (Net 57)

Congratulations to the winners.
